SAM ANTHONY NICOLOSI (ARIZONA LICENSE NO. 975367) (NPN NO. 6719325)

ADMINISTRATIVE LAW JUDGE DECISION

Respondent.

HEARING: December 6, 2011

APPEARANCES: No one appeared for Respondent; Special Assistant Attorney General Mary E. Kosinski appeared for the Department of Insurance

ADMINISTRATIVE LAW JUDGE: Thomas Shedden

FINDINGS OF FACT

- 1. On October 12, 2011, the Arizona Department of Insurance ("Department") issued a Notice of Hearing setting the above-captioned matter for hearing at 8:00 a.m. December 6, 2011.
- 2. No representative for Respondent Sam Anthony Nicolosi appeared at the scheduled hearing time, and the hearing was convened in Respondent's absence at about 9:20 a.m.
- 3. The Department presented the testimony of Steven Fromholtz, the Department's Producer Licensing Administrator, and had 4 exhibits introduced into evidence.
- 4. On September 28, 2010, Respondent submitted to the Department an application for a life producer's license and an accident and health or sickness producer's license, and a casualty producer's license. With the application, the Respondent included a copy of his fingerprints.
- 5. The Department granted Respondent License No. 975367, effective September 28, 2010. Respondent's license is scheduled to expire on November 30, 2013.

29 30

- 6. The Department forwarded Respondent's fingerprints the Arizona Department of Public Safety ("DPS") for a criminal records background check.
- 7. It typically takes DPS 4 to 8 weeks to conduct a criminal records background check. Consequently, rather than making all applicants for licensure wait for the results of the background check, the Department issues licenses while the background check is pending.
- 8. DPS informed the Department that Respondent's fingerprints were not of sufficient quality for use in conducting the background check.
- 9. In a letter dated January 5, 2011, the Department informed Respondent that on or before February 4, 2011, he was required to submit to the Department a replacement set of fingerprints. The January 5, 2011 letter was sent to Respondent's address of record.
- 10. DPS does not charge a processing fee for reviewing replacement fingerprint cards.
- 11. As of the hearing date, Respondent had not submitted a replacement set of fingerprints and he had not surrendered his license.
- 12. Because Respondent did not submit to the Department a set of fingerprints of sufficient quality for DPS's use in conducting the background check, his application is not complete.

CONCLUSIONS OF LAW

- 1. This matter is a disciplinary proceeding in which the Department bears the burden of persuasion. See A.R.S. § 41-1092.07(G). The standard of proof on all issues is that of a preponderance of the evidence. See A.AC. R2-19-119.
- 2. A preponderance of the evidence is "[e]vidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not." BLACK'S LAW DICTIONARY 1182 (6th ed. 1990).
- 3. With his application, Respondent was required to submit to the Department a set of fingerprints. Respondent's submission of fingerprints did not satisfy that

requirement because the quality was not sufficient for DPS's use in conducting the required background check. See A.R.S. § 20-285(E)(2).

- 4. Respondent's conduct constitutes a violation of A.R.S., Title 20, which provides grounds for the Director of the Department to revoke Respondent's license. See A.R.S. § 20-295(A)(2).
- 5. Because Respondent did not submit fingerprints of sufficient quality, his application is incomplete in a violation of A.R.S. § 20-295(A)(1), which also provides grounds for the Director of the Department to revoke Respondent's license.

RECOMMENDED ORDER

IT IS ORDERED that Respondent Sam Anthony Nicolosi's License No. 975367 is revoked.

In the event of certification of the Administrative Law Judge Decision by the Director of the Office of Administrative Hearings, the effective date of the Order will be the date of that certification.

Done this day, December 20, 2011.
